

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 17, 1996

SUBJECT: **SB 1950 - HB 1977**

This bill, if enacted, will allow for issuance of a restricted driver license after first conviction for driving while impaired, which applies only to drivers aged sixteen to twenty-one. The license will be limited to driving to and from work, school or a court-ordered alcohol safety program.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures to issue restricted licenses. A reasonable estimate of the expenditures cannot be determined but is estimated not to be significant because very few licenses are suspended each year for driving while impaired.

The enactment of this bill is also estimated to result in an increase in state revenues. A reasonable estimate of the revenues cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
